Re: United States v. Damon Bignon, 18 CR 783 (JMF)

Dear Judge Furman:

With the consent of the government and the Probation Department, I write to seek an adjournment of the conference scheduled for March 23, 2021 in the above-referenced Supervised Release matter. Since his arrest and release the same day, Mr. Bignon has secured a consistent bed at a shelter (at which he also has a job), has enrolled in and begun participating in a group therapy program, and now has a cellphone, which makes communication with my office and the Probation Department much easier. The parties ask for an adjournment of about 30 days with the hope that at the next appearance we will have reached a proposed resolution to the pending violations.

Thank you.

Respectfully submitted,

Court is directed to terminate Doc. #68. SO ORDERED.
